## OUR APPROACH TOWARDS CSR:

### **Corporate Social Responsibility at TWC**

We are committed to operating an honorable and socially responsible company. We believe corporate social responsibility (CSR) represents a long-term investment that serves to strengthen our operations and competitiveness in the marketplace, enhance risk management, attract and engage talented employees, and maintain our reputation.

Our CSR strategy plays an important role in the current and future success of our company. It also serves to embolden our workforce, enrich our planet, and positively impact people around the world.

Our approach to corporate social responsibility is built upon the company's long and enduring legacy of engagement in our workplaces and communities and our actions to protect the environment.

### **CSR Oversight**

Corporate social responsibility at TWC is overseen directly by our Head Finance, in close coordination with our Chief Executive Officer, Manager Human Resource and each of our business segment leaders. These individuals are supported by a network of teams addressing policy development, strategy, program management, business integration, and compliance.

We review environmental, social, and governance (ESG) developments on an ongoing basis to ensure we are addressing relevant issues.

Our assessment of the most salient issues forms the foundational basis of our CSR strategy and the content of our annual CSR reporting.

## **Our Social Impact Activities:**

We are committed to providing comfort to those in need and inspiration and opportunity to those who want to improve their world. We do this through cash and in-kind contributions, employee volunteerism and local collaboration, and our signature social impact programs.

Throughout our community engagement initiatives, we strive to leverage the best of our assets and capabilities to make a unique contribution for the social good.

TWC is committed to creating and maintaining workplace environments that support our employees.

We care about our people and their individual needs and strive to provide employees with opportunities to achieve their aspirations, personally and professionally.

No matter what their circumstances, everyone who works at TWC should know that they work for a company that is focused on helping them and their families live their best lives.

# LOOKING AHEAD

At TWC - Rajsha Chemicals Pvt Ltd., we are constantly inspired by the opportunities and challenges of building our brands and businesses in this time of massive change and disruption. We consistently transform our business in order to be responsive to the needs and preferences of our consumers, suppliers, and employees.

Ultimately, we anticipate that the ways in which we contribute to society can play a critical role in leading our company, and our stakeholders, to a more sustainable future. We work hard to ensure that we consider a diverse range of stakeholder voices and perspectives to shape our corporate social responsibility (CSR) efforts, strategy, and disclosure.

We intend to continue to strengthen reporting and disclosure of priority issues, with an aim to provide decision-useful information. We are also committed to finding new and engaging ways to reach diverse audiences with stories and inspiration related to TWC CSR.

In 2022, we will continue our work to integrate the TWC businesses. These businesses are expected to align to TWC's policies and achieve the same ambitious goals that are in place for the legacy company. The year ahead will also prove to be a pivotal year for our environmental strategies.

We will strive to further and drive innovation throughout our business segments. We will also continue to strengthen our commitments to our workforce, within which assistance towards mass education, health and wellness remains a top priority.

At the end of the day, we believe there are no limits to where care and concern can take us. We are inspired by the amazing events and actions that surround us every day. We hope to remain inspired in creating an even brighter tomorrow.
