OUR APPROACH TOWARDS CSR:

Corporate Social Responsibility at TWC

We are committed to operating an honorable and socially responsible company. We believe corporate social responsibility (CSR) represents a long-term investment that serves to strengthen our operations and competitiveness in the marketplace, enhance risk management, attract and engage talented employees, and maintain our reputation.

Our CSR strategy plays an important role in the current and future success of our company. It also serves to embolden our workforce, enrich our planet, and positively impact people around the world.

Our approach to corporate social responsibility is built upon the company's long and enduring legacy of engagement in our workplaces and communities and our actions to protect the environment.

CSR Oversight

Corporate social responsibility at TWC is overseen directly by our Head Finance, in close coordination with our Chief Executive Officer, Manager Human Resource and each of our business segment leaders. These individuals are supported by a network of teams addressing policy development, strategy, program management, business integration, and compliance.

We review environmental, social, and governance (ESG) developments on an ongoing basis to ensure we are addressing relevant issues.

Our assessment of the most salient issues forms the foundational basis of our CSR strategy and the content of our annual CSR reporting.

Our Social Impact Activities:

We are committed to providing comfort to those in need and inspiration and opportunity to those who want to improve their world. We do this through cash and in-kind contributions, employee volunteerism and local collaboration, and our signature social impact programs.

Throughout our community engagement initiatives, we strive to leverage the best of our assets and capabilities to make a unique contribution for the social good.

TWC is committed to creating and maintaining workplace environments that support our employees.

We care about our people and their individual needs and strive to provide employees with opportunities to achieve their aspirations, personally and professionally.

No matter what their circumstances, everyone who works at TWC should know that they work for a company that is focused on helping them and their families live their best lives.
